

CLACKAMAS COUNTY

ENERGY EFFICIENCY ON MAIN STREET

Rebate Application

Clackamas County is offering rebates for eligible energy efficiency upgrades. The rebates pay:

\$.10/kWh saved over five years* (\$.50/annual kWh saved) for electric customers, or

\$1.15/therm saved over five years* (\$5.75/annual therm saved) for gas customers

* Rebates for HVAC projects will be paid based on 20 years of savings at these same rates.

● Rebates are not to exceed \$2,500.

● Clackamas County EEMS rebates are in addition to ETO incentives, and the sum of all financial incentives cannot exceed the total project cost.

Portfolio Manager

In order to help us determine the effectiveness of offering incentives to small businesses, and to encourage continued funding for this program, we request that you report your energy usage for a twenty-four month period (12 months prior to award and 12 months after improvements are made). Please gather your utility bills for the past year and enter the data into EPA's ENERGY STAR® Portfolio Manager. You will need to set up an account at www.energystar.gov/istar/pmpam/. The Portfolio Manager is a fun tool which will allow you to see your energy savings in a quantifiable way. PGE billing history can be accessed at www.portlandgeneral.com/business. If assistance is needed, please contact Jamie Johnk at 503.742.4413 or via E-mail at: jamiejoh@clackamas.us.

Please write out your Portfolio Manager username: _____

Job Creation/Retention – As an economic development tool, we are interested in learning if this assistance will help create/retain jobs at your place of business. If so, briefly describe below. Please include information on average wages/wage range and the type of position (FT, PT?).
